Chilliwack, BC- Tulips of the Valley is proud to announce the opening of its 11th annual Tulip Festival in its new location of Chilliwack, BC! We are excited to showcase over 20 acres of working tulip fields surrounded by beautiful mountain views and rustic farms. With over 30 different varieties, and extra wide beds of solid colour, there are many photo opportunities for every level of photographer.

Kate Onos-Gilbert otherwise known as the "Tulip Lady" states "We are excited to be able to reopen our Tulip Festival in our new community of Chilliwack BC. The community has been so welcoming and supportive, making the move much easier. Opening our fields was a dream I had when I first joined the Onos Family, and the response from the public over the past 11 years has been amazing."

Our festival has more than just tulips, and will be fun for the whole family! We will have food trucks on site, including a special Dutch treat, Stroop Waffles. On weekdays, children can participate in a scavenger hunt throughout the fields, and weekends will have balloon art and face painting. There are many other fun surprises to discover on site!

Visitors can take some of the tulip magic home with them from the Tulip Store, where we will be selling fresh cut flowers, potted plants, postcards and more!
